

Welcome to the MPI Arizona Sunbelt Chapter!

As we move into 2026, I am honored to serve as President of a chapter that continues to lead with purpose, professionalism, and heart. MPI Arizona has long been a trusted home for meeting and event professionals, and this year, we are focused on strengthening that role, both for our members and for the industry we serve.

Guided by our strategic pillars of Credibility, Community, and Vision, our Board of Directors is dedicated to delivering high-quality education, fostering meaningful connections, and promoting forward-thinking leadership development. We are committed to being the gold standard for professional value, a trusted resource for fostering relationships and driving business growth, and a welcoming community for professionals at every career stage—from students entering the workforce to seasoned leaders shaping the future of our industry.

In 2026, you will see us continue to invest in education excellence, advocacy awareness, workforce development, and inclusive engagement, while building strong partnerships across the industry. Most importantly, we will remain focused on our members—listening, learning, and evolving to ensure MPI Arizona continues to meet your needs and support your success.

Thank you for being part of this community. I invite you to engage, volunteer, learn, and lead with us as we shape a strong and vibrant future for MPI Arizona and the meetings and events industry.

Warm regards,
