

Chapter Administrator Training Program 2020

Chapter Administrators and Chapter Leaders (in the absence of paid administrators) are advocates and partners of MPI Global and our chapters. They are a professional representation of the MPI brand and our operational standards. The Chapter Administrator Training Program (CAP) is designed to support our Chapter Administrators and Chapter Leaders in their ability to provide a more consistent level of service for chapter operations and delivering member value which supports the chapter's overall success.

Below, listed in alphabetical order by chapter name, is a list of all Chapter Administrators and Chapter Leaders who have successfully completed the training program in 2020. Also listed are optional modules completed by some Chapter Administrators and Chapter Leaders.
