

Future-proof
the way you
create meetings
and events.

The best never stop learning.

MPI Academy is here for you to learn it all. It's full of the education, tools and resources you need to stay invaluable to the meeting and event industry.

CERTIFICATE COURSES

Future-proof your career through courses for today's meeting and event professionals. Enhance specific job skills for many different roles within your profession.

VIRTUAL EDUCATION

Virtual and on-demand sessions, speaker series, and roundtables give you actionable takeaways. Choose from a full calendar of recurring series and one-time sessions.

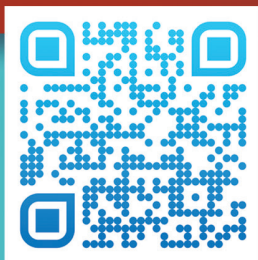

CMP ACADEMY

Chart your own path toward CMP certification with MPI's exclusive CMP Academy, approved by the EIC for clock hours. Receive hours towards certification while strategically planning your CMP journey.

EDUCATION BUNDLES

Get strategically-curated and packaged webinars and sessions that tackle topic-specific areas of the meeting and event world. These education bundles are also offered as standalone courses.

Jump-start your career
with the MPI Academy.
