

Top 5 Reasons for Meeting Students to Join MPI

A student membership with **Meeting Professionals International** provides countless benefits that will allow you to grow personally and professionally while in school. Our members tell us that these are among the top reasons for joining:

Find a mentor, get to know local businesses or meet a future employer. Chapter events are great ways to connect with local industry pros. With 70 chapters worldwide, meeting local colleagues is easy and provides you many opportunities to build your career, from internships to employment.

Global connections will grow your network. MPI is the industry's largest association boasting 15,000 members globally in 75 countries. Friendships, new ideas and innovative growth awaits you.

Chart your career through the MPI Career Center and Job Board. MPI's popular job board allows you to see new positions two weeks before non-members, giving you a competitive advantage. Upload your resume for employers to find you before a position is posted publicly. Once uploaded, you will receive a free professional resume critique from TopResume.

Contribute to the advancement of your community and gain industry experience as a volunteer. The colleagues you meet often open their doors to future career opportunities. From chapter positions to task forces and committees, volunteering will provide real world experience and help you form and cultivate long-lasting industry relationships.

Relevant industry news and stories will keep you in the know. Get access to our award-winning magazine, *The Meeting Professional* and our weekly curated industry newsletters, *MPI NewsBrief* and *MPI Pulse*.
