

MPI Membership Termination is determined by “paid thru” date and the grace period following. During this grace period, members will be able to see their renewal in the membership portal on MPI.org. They are considered an “active” member during this time.

While expired, but with “active” member status, members will have access to all the membership benefits in the membership portal.

“Active” members past their paid-thru date, but still “active” and not terminated, also will show up on the chapter membership roster.

Once membership terminates, members will no longer see their renewal in the membership portal on MPI.org and will have to contact MPI at +1 972-702-3053 or [feedback@mpi.org](mailto:feedback@mpi.org) to renew, reinstate or rejoin. We are working on a solution for online rejoin and reinstates and I will update when we launch this feature.

**Termination takes place on the first day of the third month following the “paid thru” date.** It is better to reference the monthly cycle, opposed to using number days to determine the termination. See the two examples below:

<p><b>Sally Sample #1</b>          Join Date: July 6, 2021          Paid Thru Date: July 5, 2022          Termination Date: October 1, 2022</p>	<p><b>Eddie Example #2</b>          Join Date: July 28, 2021          Paid Thru Date: July 27, 2022          Termination Date: October 1, 2022</p>
