3-MONTH BEST PRACTICES ACTION PLAN

By Chapter Leader Role
• Board calls every two weeks – can be a casual check-in with current and incoming board
• Check with incoming board on progress with Chapter Leader Training and transition status
  o Are there any new gaps to be filled?
• Board Leaders call all volunteers to help keep them activated and engaged
  o Assess what can be worked on and what’s on hold
  o Do they have new contact information? Whose emails are bouncing back? Check CLRP member report for secondary contact information.
• Status updates from each board member
  o Where are they? (furloughed; laid off; are they an ISBO not working)
• Weekly/Bi-weekly Newsletter from Chapter providing chapter and global updates – from leadership
  o Make sure your members hear from you
• Identify and review fixed costs (EIC, marketing, registration tools, admins, etc.) and assess possible adjustments to reduce costs, if needed
  o Make sure you have required approvals, per bylaws and policies and procedures, before actions are taken
  o This is not a Global mandate, but a best practice
• Review budget for 19-20 & 20-21 fiscal
  o Review list of fixed expenses (only what’s needed to keep the lights on)
  o Plan for the entire 20-21 year and update as needed
  o Determine the use of reserves – liquidity vs investments/other
    ▪ Will require Board vote
  o Review of Accounts Receivable and Accounts Payable to assess what can be expected to actually be received/paid
    ▪ Can they negotiate payables to be deferred?
    ▪ What is the bad debt expense?

• Research available loans and grants in your region -> look at the links in the MPI Chapter Support Resource Guide on the CLRP
• Online offerings
  o VPs to create their own chapter educational calendar for virtual training
  o Ask for holds
    ▪ Slate the year as if it were happening
    ▪ Speakers may hold dates w/out commitments
    ▪ Provide a disclaimer that includes a virtual event
• Offer something monthly
