

**Education:**

The Education team creates and implements top-notch educational programs for our members. Through strong partnerships and our leveraged Michigan presence, we provide our members across all industries with career and personal development experiences. Do you have a skill or two you would like to focus on growing in the next year? The Education team provides experience in multiple areas, including speaker management, contract negotiation, run of show creation, food and beverage management, and vendor management. Join our committee today and take your career to the next level!

**Communication:**

Do you like to write? Interview industry leaders and peers? Design and produce magazine, web, or social media content? If you said yes, then your skills fit perfectly with this committee! With your help, our team will connect and update our members with creative and useful content through our chapter website, newsletter and social media.

**Membership:**

Join our membership committee, AKA the "M Squad," to enhance your networking skills, and make our members feel appreciated. You will have the opportunity to welcome members at monthly meetings, communicate with current members to renew, and invite your colleagues to become members to enhance their professional development. You will love getting to know our MPI Michigan Chapter members on a first-name basis and feel rewarded that you helped to grow our numbers! Together we accomplish more!

**Leadership Development:**

If you consider yourself an innovative, out-of-the-box thinker, the Leadership Development team may be perfect for you! Are you an "ideas" person? This committee creates and manages original programs that foster new skills and inspire professional growth, designed with our members in mind. It is a key driving force behind our member satisfaction, creating fun opportunities for our members to connect and collaborate not only professionally, but socially as well. Leadership Development is also proud to offer exciting ways for our chapter to grow financially through unique fundraising and networking. Take the next step and join a team that elevates our chapter above the rest!

**Finance:**

Joining the MPI Michigan Finance Committee will offer the opportunity to work closely with the Vice President of Finance and the Director of Strategic Partnerships to impact the overall financial health of the Michigan Chapter. Being a committee member will allow you to grow your knowledge of sponsorship and organizational partnerships by building relationships with our Chapter membership. Monthly meetings allow the opportunity to collaborate with all MPI Michigan departments and learn more about the association as a whole.
