

10 things
individuals can
do immediately
to implement
change and
awareness

Identify the most common indicators of human trafficking.

<https://www.mpi.org/tools/anti-human-trafficking>

Save the National Trafficking Hotline
888-373-7888 as a contact in your cell
phone so it's easily accessible.
Or text 233733 (BeFree).

Three.

Report suspected trafficking to 911
or the National Trafficking Hotline.
888-373-7888 Or text 233733 (BeFree)

Download the TraffickCam app

<https://traffickcam.com/>

Help fight trafficking by uploading photos of your hotel room. These photos will be used to determine where perpetrators of sex trafficking are committing their crimes.

Volunteer for local anti-human trafficking organizations in your community.

Be an ambassador at your company to educate coworkers on the topic of human trafficking.

Work with local businesses
to bring awareness and education
on human trafficking.

Participate in webinars to increase education and awareness.

Post information on social media
#FreedomFirst
#EndTrafficking
#StopTrafficking

Reference the Social Media Toolkit on
the MPI website.

<https://www.mpi.org/tools/anti-human-trafficking>

Participate in a local, regional, or national event to support anti-human trafficking efforts.
