<p>MPI Community Advisory Boards</p>	<p><i>These boards reflect the needs and interests of the industry's largest communities of meeting and event professionals. Community Advisory Board members recommend and create education, resources and engagement strategies to empower and engage members of their community segment at the global and local chapter level. This is a great opportunity for people who are interested in gaining experience in community moderation and/or content creation and would like to position themselves as thought leaders. Experience as a chapter leader is a plus, but not required.</i></p>	<p>Administrative Professionals Association Professionals Marketers & Experience Designers Financial & Insurance Professionals Independent & Small Business Owners Meeting & Event Executives MPI-MD Medical & Healthcare Professionals MPI Women</p>
