

2025 Rendezvous Pricing

Annually, more than 2,500 people attended RENDEZVOUS, the IMEX America Night to network, celebrate, and support the critical efforts of the MPI Foundation.

Since the MPI Foundation's inception in 1984, over \$14.4 million has been distributed to the global community through scholarships, grants, and pan-industry research. Throughout the pandemic, the MPI Foundation was the "go to resource" to help distressed MPI members AND non-members.

The MPI Foundation is proud to partner with Caesars Entertainment in hosting RENDEZVOUS at Drai's Beach Club and Nightclub! Expand your network, connect with peers, and party with the industry's best and brightest.
