Time Zone

Indianapolis is Eastern Time Zone.

Temperature

The month of June in Indianapolis is typically mild with high around 80°F. The average low temperature at night is 57°F.

What to Pack

Indianapolis is a very walkable city, and 7 of the 8 WEC18 partner hotels are connected to the convention center by enclosed skywalks, so comfortable shoes are encouraged. However, transportation will be available for most evening events.

For the Opening Night Celebration on Saturday in White River State Park, Monumental Block Party on Sunday at Monument Circle, and Closing Night Party on Tuesday at the Indianapolis Motor Speedway, the dress is casual and fun! All events are outdoors, so layers are encouraged. Comfortable shoes are also encouraged.

President's Dinner is business formal. Rendezvous attendees should dress to impress and pack your dancing shoes!

The dress code for general and concurrent sessions is business casual. As indoor environments tend to be cool, dress in layers or bring a sweater, suit jacket or shawl and wear comfortable shoes.

For those who want to join us for the Morning Walk/Run on the Canal, pack active wear and jogging/walking shoes.

DONATIONS – BRING IT WITH YOU

Children's Books for the Julian Center

Bring a children's book with you to the WEC to support children at the Julian Center who are victims of domestic or sexual violence. Write supportive notes on the flyleaf or title page and encourage them to stay strong in the face of adversity and struggle.

- * Mascara – new, black or dark brown
- * Knee-highs – new, regular or plus size

CORPORATE SOCIAL RESPONSIBILITY & COMMUNITY IMPACT

Corporate Social Responsibility (CSR) at WEC

MPI is committed to reducing the environmental impacts of WEC and giving back to our host community. Social and environmental sustainability is integral to what we do as meeting professionals. With that in mind, WEC 2018 has been designed using the ISO 20121 Event Sustainability Management System as a guide and framework. Working closely with the Indy CSR Committee, we have programmed several unique activities that will give participants the opportunity to experience different ways of addressing CSR and sustainability within their own meetings and events.

Bring it With You: Children's Books for the Julian Center

Bring a children's book with you to the WEC to support children at the Julian Center who are victims of domestic or sexual violence. Write supportive notes on the flyleaf or title page and encourage them to stay strong in the face of adversity and struggle.

Bring it With You: Women's Accessories for Dress for Success

Help women in need as they begin to prepare to find work and get back on their feet. Donate new and gently used business attire to Dress for Success. The local arm of the organization says that they need the following items.

- * Mascara – new, black or dark brown
- * Knee-highs – new, regular or plus size
- * Professional jewelry – new or gently used (earrings, necklaces, bracelets)
- * Mobile phone-sized wallets or small purses – new or gently use

Donate on Site: Conference Supplies for Teacher's Treasures

Donate all your leftover conference giveaways, papers and supplies to help students and teachers in need. Drop off new and leftover conference papers, notebooks, supplies and giveaways to help local Indianapolis schools serve the community and their students. (And look for a Teacher's Treasures in a city near your next conference.)

Participate: Paint Fest

Join the Foundation for Hospital Art and brighten the life of patients by painting panels of murals that will be displayed at local Indianapolis hospitals. Drop-in to the Experiential Village, powered by Freeman and spend as much or little time as you would like painting fun and attractive pieces that will be donated to the local community.

Participate: Cheeriodicals

Join one of our great team-building experiences in rooms 104-106 and create Cheeriodicals gift boxes for children patients at local Indianapolis hospitals. Discover this unique combination of teamwork and sharing to provide cheer and goodwill to eagerly awaiting children and their families. Learn more [here](#).

Participate: Carbon Offsets

Calculate the carbon footprint of your business travel and purchase offsets from the Carbon Fund (<https://carbonfund.org/business-calculator>).

Food Donations: Second Helpings

MPI is donating leftover conference food to Second Helpings to help end hunger for thousands of local Indianapolis residents by supporting its efforts to feed people in need. Each day, Second Helpings volunteers and staff rescue prepared and perishable food from wholesalers, retailers and restaurants—preventing unnecessary waste. That rescued food is used to create 4,000 hot, nutritious meals each day that are distributed to over 85 social service agencies that feed people in need.

Flower Donations: Random Acts of Flowers

Flowers used for décor at the MPI President's Dinner will be donated to Random Acts of Flowers, a non-profit that makes real impacts in communities around the U.S. Whether it's improving health and well-being through flower deliveries or recycling flowers and vases that would have gone to the landfill, their work results in real and lasting change.
