

Certified Meeting Professional (CMP) Study Group - Candidate Interest Form
Study Group Course Date: Spring 2020

Thank you for your interest in one or more parts of the CMP Study Group offered through MPI CRV! The course consists of a one-day introductory session (Part I), an 11-week Study Group (Part II), and a one-day deep dive session into Domains G, H, and I (Part III). We need a minimum of 3 participants in each part of the course to run the Study Group. Pricing will be available on the MPI CRV website. Full details on the CMP application process, deadlines and fees are available on the Events Industry Council's web site <http://www.eventscouncil.org/>. The class provides maximum benefit to both planner and supplier members who have been in the meeting industry long enough to meet the application requirements for work experience. You may participate in the course if you are shy of the required continuing education requirements as the course can be used toward continuing education clock hours on your application after the class is completed. Participants are encouraged to take the exam as close as possible to the completion of the study group course.

To determine if we have enough participants, please complete the information below and submit to Amanda Cristina, CMP at acristina@limra.com by Friday, November 1, 2019. Contact Amanda via e-mail with any questions.

What is your current CMP application status with the Convention Industry Council?

☐ I have not yet completed the CMP application

☐ I have completed the CMP application and submitted it to the Convention Industry Council

☐ My CMP application has been submitted *and approved* by the Convention Industry Council

My goal is to take the CMP computerized test during the following exam window:

☐ May 2020

☐ August 2020 or later

At this time, I am interested in the following parts of the MPI CRV CMP Study Group course (select all that apply):

___ Part I

___ Part II

___ Part III

Are you a current MPI CRV Member? (If not, visit www.mpicrv.org. Fees vary by industry role as Planner, Supplier or Faculty. Membership required for reduced study group fee. For full details, visit: <http://www.mpiweb.org/Membership/join-mpi>).

___ Yes

___ No

WHEN - Ideally, we will meet once a week January-April on a consistent day/time. We will do our best not to hold study group sessions on the weeks we already have MPI Educational Events planned. We also try to avoid holidays. Please see our website for the most up-to-date information regarding dates and times for each part of the course.

WHERE - Participants often come from various towns in Connecticut and Western MA. Knowing *where* CMP candidates travel from helps the MPI CRV Chapter determine the best site. Locations along the I-91 corridor have provided the most favorable access. The study group site is determined by:

- 1) where attendees are located (work and home).

Please be sure WORK address is completed above. Your HOME town is:

- 2) facility availability.

Please feel free to contact Amanda Cristina, CMP with any questions. The MPI Connecticut River Valley Chapter wishes you the best of success in obtaining the CMP designation and advancing your professional development!

Amanda Cristina, CMP
