 - Meeting & Event Strategist (6/6, 9/24, 11/19)

All the webinars, summits and on-demand education count for clock hours that can be used towards those wanting to obtain or renew their CMP designation.

- These clock hours are listed on the educational item.
- All clock hours are reported by MPI at the end of each session if the email they registered with matches the one they use with the EIC.
- If their email does not match, they have to self-report those hours.
- We do not report hours to the EIC for any chapter related events.
