Kenneth made a name for himself “across the pond” in the fast-paced world of international hotel management. It wasn’t long before this native of Ireland could be found orchestrating large-scale, VIP meetings; as well as corporate functions and sporting events for a variety of high-profile clients throughout Europe and the United States.

With razor-sharp business acumen and a strong foundation in sales and operations, Kenneth has shared his many talents with a variety of top-notch clients and organizations, including American Honda, Assurant, Bridgestone Golf, Hooters, Jones Lang LaSalle, Microsoft, and OneDigital, to name a few.

Kenneth also has a genuine, passionate commitment to community outreach, volunteer work, and education. He has served as President of the Georgia Chapter of Meeting Professionals International and as a Board Member at Hands on Atlanta.
