

Joanne Dennison's Meeting and Event Intensive Two Day Class Saturday/Sunday April 4 & 5, 2020

***Marketing Partner– MPI Tennessee Chapter
Venue Partner– TBD***

Learn how to be better at what you do ---and further your career

**Earn Contact Hours for the Certified Meeting Professional (CMP)
Application or Recertification**

This intensive, extensive, interactive class utilizes the CMP – International Standards as the base for the areas of learning.

Joanne is an educator. Because of that the first and foremost purpose of the class is about learning to be a better professional in the meeting and events industry (planner or supplier), and applying it when you go to work the next day. Yes, people have even taken the class who were not sitting for the exam just for the learning experience! Class hours count toward the CMP CE application hours.

For many attendees it is also about “getting” a grasp on the material in a strategic, situational and conceptual way to pass the CMP exam. The exam is no longer about memorization. It is about thinking, planning and acting strategically. The questions are no longer definition based, but situation based (“You are at your meeting and....”). The topics that are covered are emphasized according to importance and relevancy to the CMP-International Standards and the proportion to how they are used in the exam. There is also a **“Pay Once, Take Twice”** option where you can come the first time to get you on your way for preparing. Then, if you choose, find a future class that fits your schedule and take it at no additional charge.

Joanne shares information that is not on the exam....but she feels that you should know and can use. She also does share study tips and test taking tips for those who are preparing for the exam. Some of the tips also count in “real life”. Participants also share their experiences as part of the learning.

Joanne has taught her multi-day class more than 40 times since 2000 .She has also taught other sessions both for her own company and for many organizations such as MPI, RCMA, and Smart Meetings Magazine. Classes have been held throughout the US along with Canada, Mexico, Dominican Republic, Thailand and China. She is also an educator at many industry meetings and in corporate organizations.

Joanne passed the exam in 1996 and has re-certified three times, most recently in 2016. She also has attended the CMP Conclave multiple times to learn the most up-to-date information about the CMP program, most recently in November 2018.
