General Requirements: Provide high-resolution PDF of ad that is PDF/X-1a:2001 compliant. Export ads using PDF/X-1a:2001 settings with compatibility set to version 1.3. File must contain only one page. DO NOT include crop marks, bleeds or other information beyond the ad size.

Supported Applications: Ad can be created in any application capable of exporting to PDF/X-1a:2001 standards. Adobe InDesign, Illustrator, Photoshop, Quark XPress, CorelDraw, etc. DO NOT create ads in Microsoft Word, Publisher or other word processing programs. Photos and graphics in ads should be 300dpi minimum.

We may require 'native files' if the PDF is not X-1a compliant or has other issues. If this is the case, we will contact you to provide the original files.

Additional charges may apply for ads not adhering to the guidelines above. MPI Ohio and the publisher cannot be held responsible for reproduction quality if the requirements are not met.

Submitting Ads: Email files under 5MB to admin@mpioh.org. Files greater than 5MB we recommend www.yousendit.com. Create a free YouSendIt account and follow the instructions for uploading/delivering files.

Website banner advertisements may be submitted for the MPIOH website. All banner ads will be linked to your company website and run on the site for one year.

This Weekly Electronic Newsletter is sent to all MPIOH members and other industry professionals each Friday. Select the week(s) that you want to run your advertisement and reach over 3000 business professionals. Content is due two weeks prior to publication week.
