How I’ve Gotten Better

MPI’s mission is to connect the global meeting and event community to learn, innovate, collaborate and advocate. The vision we use to achieve this mission is to lead and empower the meeting and event community to change the world. We try to take this mission, and vision, and apply it at your local level here in the Ohio Chapter.

There are core values that MPI Global communicates to us and we look to invest in them as well. Focus on our people, dedicate our energy to collaboration, carry out events with enthusiasm and passion, and remain empowered by trust and integrity.

I think I speak for each member when I say personal development is important to me. MPI has helped me to advance myself in both my career and on a personal level over the past several years.

By stepping into a leadership role on the Board of Directors, I’ve become more confident, able to address adversity, and understand the way my approach on certain subjects can impact others. By attending and participating at our monthly meetings, I’ve become more educated on what’s impacting my customers, networked with the right people to advance my own career, and developed a more objective vision on how our industry affects the worldwide economy. Lastly, the sense of “family” that MPI has given me, helps me to have better perspective on how business should be done and how colleagues should work together to achieve win-win scenarios.

Whether it is growing your personal/professional network, increasing your knowledge on a specific topic related to your career, going for your CMP, or achieving any type of higher education — our goal is to make MPI a vehicle for you in order to get where you want to be development wise. We want to hear from you. My presidency of the association has been enlightening. I urge you to use the tools MPI offers in order to achieve the goals you’ve set in place for yourself — both personally and professionally.

Amanda Stredney
I’d Like to Thank the MPI Academy!

Whether personal or profession development is what you seek, resources are a lot closer and easier to access than you might think. We know you might hear it a lot, but with the MPI Academy, it’s never been easier to get better!

Rather than spend hundreds of wording singing the praises of all the trainings, webinars and continuing education credits, we thought we’d let the resources do the talking.

And here’s your step by step, actionable guide to taking advantage:

1. Unlock your phone’s passcode (we won’t look) or turn on your tablet, laptop, or computer. Make sure nobody is on your phone line and begin your dial-up internet…yeah right, just kidding.

2. But seriously, log on to academy.mpiweb.org

3. Scroll to a training session that would benefit you, click registration, sign up, and start getting better.

4. That’s it. We weren’t kidding when we said it’s never been easier!

The training sessions and resources you have access to within MPI are way too many to list, but here are just a few coming up in the next few months:

- June 26: EMPLOYMENT LAW SERIES: OSHA in Hospitality and Service Organizations
- June 28: Change Your Mindset: From Sales to Strategic Partner
- July 10: The Science Of Healthcare Professional Meetings
- July 18: Basics Boot Camp 1: Meeting Planning Sourcing & Strategy (7/18)
- July 18: Basics Boot Camp 2: Meeting Planning Design & Logistics (7/18)
- July 31: EMPLOYMENT LAW SERIES: Immigrant Workers in Hospitality and Service Organizations

And remember, this list is just a small taste. There are dozens of on-demand sessions, courses, and trainings available any time you want.

Now it’s up to you.

PRINT, MARKETING & SIGNAGE SOLUTIONS
Not everyone loves reading long articles, so I’m going to get right to the point. Here’s what the CMP (Certified Meeting Professional) Program has done for me and my career:

Professionally:
• Increased opportunities – “CMP preferred”
• MPI Ohio
• CMP committee
• Director of Professional Development
• Director of Education
• Networking
• Knowledge that when I’m working with other CMPs, we’re going to “speak the same language:

Personally:
• Created strong bonds
• Lasting friendships
• Mentors – both gaining and being

If you have an interest or curiosity in the CMP Program, please visit www.mpioh.org/membership/cmp-training — Or, contact me!!!

Oh, and while you’re still here, take a moment to read what a few others have said about the CMP:

“Getting my CMP certification was right for me because I view it as an investment in my future. This is something I worked hard for and makes me feel valued as a professional in our industry. Obtaining my CMP also shows I have a high level of knowledge, skills, and experience in the meetings industry.”

Angela Gruver, CMP
Assurex Global

“Becoming a Certified Meeting Professional elevated my understanding of the events industry standards, which made me more effective in organizing and communicating the needs and requirements of my events. When my dream job became available, being certified as a CMP gave me a professional boost that made my resume stand out and proved I had the professional knowledge to bring to the team. I have found my CMP certification to be invaluable.”

Katie Suty
Experience Columbus

“Earning my CMP has been one of my best professional – and personal – achievements in recent years.”

Here’s how this works:

1. Answer one or more of the following questions.

2. Connect with us by email or message on any of the social media channels listed below. Using your choice of those media, send us your best answer, ideas or thought.

3. The MPIOH Board of Directors will review and vote on the most original and helpful ideas to improve our outstanding Chapter.

4. The Winner or Winners will receive their choice of prize options. Prize options will be dictated to the winners, and may include:
   a. Membership Discounts
   b. Gift Cards

   d. Others

5. The deadline is July 31st, so take 30 minutes or less, and get your brainstorming on!

Brainstorming Questions:

1. If you could wave a magic wand, what would transform your meeting into a magical experience?

2. If you had three wishes (can be anything) to create the perfect association, what would they be?

3. What is the One Small Thing that makes the biggest difference between a good meeting and an unforgettable meeting?

4. If you had to go All-In on one social media platform, and all others disappeared, what would that one be?

5. What was the best meeting you experienced in the past year and why?

Send your best thought/idea to any of the following:
