ADDITIONAL OPPORTUNITIES

SUPPLIER SHOWCASE

We are hosting a supplier showcase as part of our Education Day with MPI D/FW on March 23, 2023. Details for supplier showcase and exhibit opportunities coming soon.

SILENT AUCTIONS & RAFFLES

Each year MPI D/FW hosts two silent auctions (December Holiday Event and the June Gala) that raise scholarship funds for members to use towards personal education opportunities, CMP studies, or attendance to the Annual MPI WEC convention. The chapter generally raises approximately \$5,000 in donations at each silent auction.

MPI D/FW also offers a substantial number of raffle prizes to award their members throughout the year at a variety of activities.

Donating silent auction items and raffle prizes can be a simple, inexpensive and effective way to market your business to our membership. We are collecting donations all year long.

DIGITAL ADVERTISING

Take advantage of our digital advertising opportunities to reach out to our members. Our website was recently revamped with a contemporary impression of our chapter. We have garnered more interest and grown impressions. Our members regularly use our site for current calendar events, member directory access and current industry news every month. The Chapter's key communication tool, quarterly e-Blast, is sent to over 1,000 industry professionals. In addition, we have communications surrounding our events.

Online exposure ensures your brand will reach your target audience of Meeting Professionals and build brand awareness for your company.

- Website Banner Advertising: a variety of different options are available including a premier annual website sponsorship
- e-News Advertising: Become a sponsor of MPI D/FW's quarterly newsletter.
