PEOPLE FIRST THEN PROFIT

PAY IT FORWARD & DON'T WAIT FOR CHANGE

*Watch your thoughts, they become your words.
Watch your words, they become your actions.
Watch your actions, they become your habits.
Watch your habits, they become your character.
Watch your character, it becomes your destiny.*

-Lao Tzu

Creating the destiny you dream of begins with your thoughts. How do you regard others in your mind? It's normal to sometimes think, "What's in it for me?" Ironically, though, the better you can evolve that thought into, "How can I help?" the sooner you will see your vision come to life.
