

CHAPTER HAPPENINGS

July 2018

Message from the President

As we enter the 2018-19 term, I begin my year as MPI D/FW Chapter President reflecting on my previous four years on the Board of Directors. I have seen the MPI D/FW Chapter evolve into a community of industry professionals who can lean on each other through personal challenges, support each other through business growth, and welcome guests into the Chapter with open arms to help them transition to new members, committee members, and eventually Board Members. Our chapter is consistently in the top 5 ranking of largest MPI chapters globally, but in the past two years, we have also caught the eye of MPI Global and fellow MPI Chapters as one of the chapters to look to for best practices, including the honor of winning RISE Awards in 2017 and 2018. All Things Conflict: How to Manage Conflict of Interest, Conflict Management and get to Solutions Together

Conflict can permeate both our business and personal lives and is often the driver of failed relationships. When it comes to conflict, equipping yourself with tools, conversation starters and being able to identify triggers can help you in all aspects of your life. Join MPI D/FW and HSMAI in a joint luncheon with Michelle Johnson, event professional, board facilitator, and business owner, as we explore techniques to help you find a common ground for accountability, from an employee or boss to a volunteer or friend. Learn how to “love” conflict - well, at least learn how to face it head on and be able to manage it!
