

## COMMUNITY OUTREACH

Please help support our 2018-19 Community Outreach Partner, the Wisconsin Humane Society.

We will be getting hands on for our Community Outreach Activity at Spring Education Day to help WHS by making fleece tie blankets! The WI Humane Society will also have a booth and will be accepting pet food, pet toys, cash or credit card donations on-site.

### WISH LIST

Thank you for your interest in donating supplies to the Wisconsin Humane Society! As a non-profit organization we rely on community support and we are tremendously grateful for in-kind donations. Whether new or gently used, every item donated below allows us to better focus our limited funds on supporting the animals in our care.
