Dear Partner,

I recently had the privilege of sitting with an amazing group of people, our 2019-20 Board of Directors, who worked tirelessly to capture the true value of what the MPI – Michigan Chapter is all about. I think they nailed it with this value statement:

"Our award-winning MPI chapter is a diverse, inclusive home for meeting professionals in Michigan. Our membership thrives personally and professionally when actively utilizing our unlimited resources. We provide exceptional education and create opportunities for meaningful connections in unique destinations throughout Michigan." – MPI – Michigan Chapter Board of Directors.

While we are firm believers in the value that the MPI – Michigan Chapter holds, we are hopeful you will experience that same value when you participate with us. You will be gaining access and exposure to some of the top professional meeting planners in Michigan.

Why partner with MPI Michigan Chapter? The meetings industry contributes MORE to the United States GDP than the following industries: air transportation, motion picture, sound recording, performing arts and spectator sports. This industry is the FIFTH largest with over \$102.3 billion dollars involved per year. We invite you to consider partnership opportunities with MPI Michigan to elevate your company's presence in the strong Michigan hospitality community.

MPI Michigan Chapter has 200+ members that in 2018 represented over \$106 million in buying power within the meetings industry. The Michigan chapter was established in 1979 to provide continuing education, professional development and business growth opportunities to meeting professionals throughout the state and beyond. We are excited to be celebrating our 40th Anniversary this year!

The international organization has more than 17,000 members in 90 chapters and clubs in 19 countries. Meeting Professionals International (MPI), the meeting and event industry's largest and most vibrant global community helps our members thrive by providing human connections to knowledge and ideas, relationships, and marketplaces.

MPI Michigan Chapter appreciates your support for the many educational, networking, and fun events we host throughout the year. This is a great opportunity to showcase your organization to our very active and loyal membership.

Sincerely,
Alanna Klomp, CMP, CMM
2019-2020 MPI Michigan Chapter President

COCKTAILS & CONNECTIONS SUMMER SOCIAL

A newer opportunity to network with MPI Members in a relaxed atmosphere. For a \$250 sponsorship, showcase your venue during the warm days of summer! Available July and August, the sponsor is responsible for all food, beverage, and entertainment expenses.

Sponsorship pays off! Sponsors share why they sponsor MPI Michigan:

MPI Michigan chapter has been a great partner and we appreciate all of the networking opportunities and outstanding educational sessions they provide. We have been a member for many years and look forward to maintaining that relationship for years to come.

-Heidi Schmitt, GMS, CTA, Director of State Accounts, Experience Grand Rapids

In today's fast-paced world, our email in-boxes are inundated with sales emails. How many of you get frustrated and disregard these emails as "junk", deleting them without actually taking the time to read them? This is one of the many reasons that FireKeepers Casino Hotel believes that sponsoring MPI Chapter events is essential for bringing Meeting Professionals into our property and showing them what it is that we specialize in.

In the past, FireKeepers has sponsored Signature events and a year-end Celebration! event. I have personally met many planners on their first visit to FireKeepers who state that they had no idea we had any meeting or event space on property. I'm not surprised by this since we are known for our vibrant and upscale gaming facility, first and foremost; however, our Catering Sales team specializes in selling vibrant and upscale events, as well.

The feedback that we have received from experienced planners has been invaluable to our mission to offer the most current and exceptional experience to our guests. Where else can you get such candid input from the industry's most knowledgeable experts? It's the epitome of "wine and dine" and the return has been much more than the initial investment.

For anyone considering sponsoring or hosting a chapter event, it will definitely be worth everything you put in. Then, when you send out emails to the planners that you met at your event, they will be excited to respond to you. What better result could want than these qualified connections?
