MPI Mission and Vision

MPI’s Vision
To be the first choice for professional career development and a prominent voice for the global meeting and event community.

MPI’s Mission
To provide MPI members, chapters and the global meeting and event community with innovative and relevant education, networking opportunities and business exchanges, and to act as a prominent voice for the promotion and growth of the industry.
MPI Brand Voice

The MPI community is the lifeblood of the MPI brand. Just as the faces in the member mosaic act as visual representation of the MPI brand, the style of language used in MPI’s promotional and marketing efforts should be human as well.
MPI Brand Voice

Two Vital Characteristics of the MPI Brand Voice:

**Personality:** Helpful, Smart, Empathetic, Inclusive, Unpretentious

**Tone of Voice:** Relatable, Conversational, Approachable, Friendly

MPI MN Chapter communications should align with the MPI Global Brand Voice to create a seamless member experience.

MARKETING AND COMMUNICATION TIPS
Know Your Audience

Understand the demographics of the MPI MN Chapter. Of our 441 members,

- 225 planner members (51%)
- 189 supplier members (43%)
- 26 affiliate and student members (9 affiliates and 17 students)
- 1 retired member
- 124 corporate planners (55% of planners)
- 63 independent planners (i.e. meeting management professional – planners, 28% of planners)
- 36 association planners (16% of planners)
- 2 faculty (1% of planners)*

*Data as of Jan. 2017
Segment Your Target Audience

• Create strategies to reach different groups with custom messaging
• What about your message will be valuable to them?
  – Why should a supplier attend an educational event?
Listen to Our Membership

• Our members get communicated with A LOT through myriad channels; how can we tailor our messages to engage with them through all media?
  – Utilize social media (various pages to engage specific and different purposes)
  – Utilize our monthly newsletter
  – Utilize our website

• Ask the question, “What are we trying to achieve” and apply tools to meet that specific need. Don’t just do things because they have always been done that way.
Drive Traffic to our Website

• MPI MN is the hub of all information—everything related to our chapter needs are to be posted here and easily accessible.
• All channels should point back to the website, inclusive of social media
• Content that lives on the site is owned by chapter
• This strategy makes our website indispensable for members
IT’S VITAL FOR THE INTEGRITY OF MPI THAT THE NAMES AND TERMS AFFILIATED ARE USED CORRECTLY IN ALL INSTANCES. THE FOLLOWING BREAKS DOWN THE CORRECT WAY TO WRITE MPI TERMS.
Appropriate Use of Terms

MPI

Write out the full name on the first reference, i.e., Meeting Professionals International (MPI). MPI is acceptable on second and proceeding references. The acronym MPI should always be capitalized.

MPI Board of Directors

Capitalize terms MPI Board of Directors on first use, but on second and proceeding references use board of directors.

Committees

Capitalize particular committee names, such as Communications Committee, but lowercase if it is proceeding the name.

Example: Joanie Smith, vice president, communications committee

Personal Titles

Capitalize all titles preceding the name:

Example: MPI MN President Joanie Smith, CMP

Lowercase all titles if it is proceeding the name:

Example: Joanie Smith, CMP, MPI MN president
CHAPTER LOGO AND USES

WHY LOGO STANDARDS MATTER
MPI MN CHAPTER LOGO GUIDELINES
USING COLOR WITH THE MPI MN LOGO

Why Logo Standards Matter

• MPI is a global brand that represents the best people and professional development in the meeting and event industry around the world. Maintaining the integrity and consistency of the MPI logo is vital to reinforcing its value to our community, and that must be applied and maintained at the Chapter level, as well.

• To help our MPI Chapters provide a brand experience consistent with MPI Global efforts, we are providing these logo standards for everyone to adhere to.

• The goal is to create a consistent and seamless MPI brand experience, from programs and initiatives driven from the global level to offerings and events produced at the Chapter level, across all regions.
MPI MN Chapter Logo Guidelines

The MPI Chapter Logo design consists of four graphic elements:

- MPI Brand Mark: This element is the main element in the MPI logo, representing a global community that is interwoven and interacting, symbolizing the importance of the meetings industry on a global scale.
- Regional Name: This is the regional element of the Chapter name.
- Graphic Bracket: This element houses the Regional Name element and helps tie the entire logo build together.
- Chapter Word Element: Rounding out the Chapter logo build, this element is the other half of the full chapter name, and is visually tied to the Brand Mark by the Bracket, signifying that this is an MPI Chapter.
Using Color with the MPI MN Logo

CLEAR SPACE

Clear space is the minimum “breathing room” maintained around the MPI Chapter logo. It should be kept free of graphics, text and other elements. It also defines the minimum distance from the logo to the edge of a printed piece.

The minimum required clear space is defined by the measurement “X” as shown. This measurement of X is equal to 1/2 the diameter of the Brand Mark in the logo.

Always use at least the minimum required clear space when displaying your MPI Chapter logo.

BACKGROUND CONTROL

The preferred background for the Chapter logo is white, but in some cases it is necessary to use the logo over colors or images. In these cases, it is extremely important to ensure the visibility and legibility of all logo elements. This chart, featuring dark colors when they are at 100%, shows which background value ranges work and which do not. While this chart does not apply to every color, the rule of thumb is to use the best judgment on whether you can clearly see all the elements of the logo or not, especially at the logo’s minimum size.
