

MASK UP FOR MPI AFTER 5!

Your wellbeing is MPIRMC's #1 priority. Here is what we are doing to protect your health and peace-of-mind so you can focus on reconnecting! We are committed to implementing conscious and intentional processes to not only combat this virus but promote healthy best practices. We firmly believe that we have to be the leaders in showcasing event safety while still allowing all attendees to enjoy their time together.

Temperature checks will be conducted before entering the event. Anyone with an elevated temperature or fever will not be allowed into the event.

Masks will be required for attendees and staff at a minimum. Masks will be provided for any attendee or staff who wants one. Please wear one at all times unless seated.

Kits with individual packets of sanitizer, disposable nametag, sanitized pen, and drink tickets will be at each seat.

Social Distancing protocols and procedures will be followed and only groups of 10 or less will be seated together in a pod.

F&B will be provided in a no-contact way. Service staff will be serving food and refreshments for each attendee while wearing gloves, masks and protective gear.

Last but not least please put a sticker on your name badge identifying your comfort level (with the name tags)
