

**SACRAMENTO/
SIERRA NEVADA**
CHAPTER

2019-2020 Charity Selection Proposal

Deadline: May 3, 2019

Each year, MPISSN strives to raise awareness of a charitable organization that has an impact on the Sacramento and Sierra Nevada communities. We support a charity proposed by a MPISSN member by contributing 100% of the revenue generated by fundraising activities at our luncheon programs to a charity within the geographic region of the chapter, so long as the geographic region selected is headquartered within the state of California (as required by Attorney General of the State of California). The selected charity must operate under their own Federal Employer Identification number (no umbrella affiliation with another organization). At the end of our fiscal year, MPISSN issues a contribution check to our selected charity.

Please note: since our MPISSN members are from both the Sacramento and Sierra Nevada regions, additional consideration is given to a charity that also serves the needs of the Sierra Nevada region.
