The number of services or amenities, including any extras offered which were not requested.

3. Responsiveness: 0-10 points

Based on submitting proposals on time, responding to inquiries in a timely manner, openness to questions on aspects of the proposal and demonstration within the proposal of how the supplier will react (timeline) to inquiries/requests, and general administration requirements during the contract period, etc.

4. Membership: 10 points

MPI members are not awarded contracts by default. Membership will be a determining factor if all remaining criteria are equal between bidders.
