ABOUT MPI NEW JERSEY'S ANNUAL GOLF EVENT

The Annual Golf Event has been a signature event for MPI New Jersey for 23 years. This event gathers suppliers from all over the country and planners from the tri-state area for a full day of networking and fun! With over 200 attendees annually, you are certain to make new connections or reconnect with a few old friends.

After two years, our anticipated Golf Event is back and better than ever. Join us because... **NOBODY DOES GOLF LIKE MPI NEW JERSEY!**

MPI New Jersey plays Wild Turkey at Crystal Springs Resort. With its debut on July 7, 2001, Wild Turkey became the Crystal Spring Resort's second Roger Rulewich design -- an outstanding encore to Rulewich's award-winning Ballyowen. Located adjacent to Crystal Springs Golf Club, Wild Turkey's topography is best described as "basin & ridge".

The layout's two distinct terrain types combine the sheer expansiveness of Ballyowen with the rugged, multi-elevated nature of Crystal Springs. While it may be easy to classify Wild Turkey as a combination of its two sister courses, Wild Turkey stands on its own merit as a uniquely designed golf course, named one of NJ's Top Public Courses by NJGCOA.
