

MPI NJ Mobile App Download Instructions

The MPI NJ Mobile App has been developed so our attendees have everything they need at their fingertips. It allows all of us to connect, upload photos, check out the agenda so you know where to go, play our game, and so much more! It is very simple to use, and we encourage everyone to download it before you get onsite.

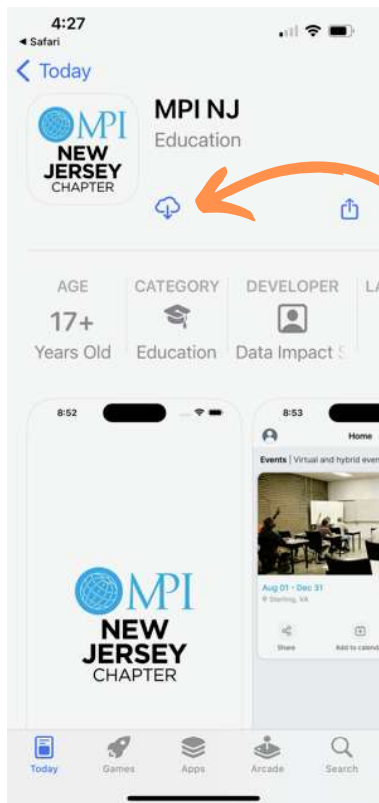

Step #1

Scan the QR code to go directly to the MPI NJ Mobile App in your Apple or Google app store

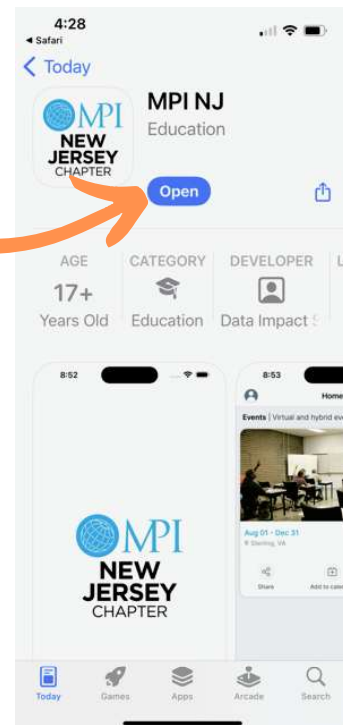

Step #2

Once you click on the QR code URL link, the app will appear with the download option - click to download (see below).

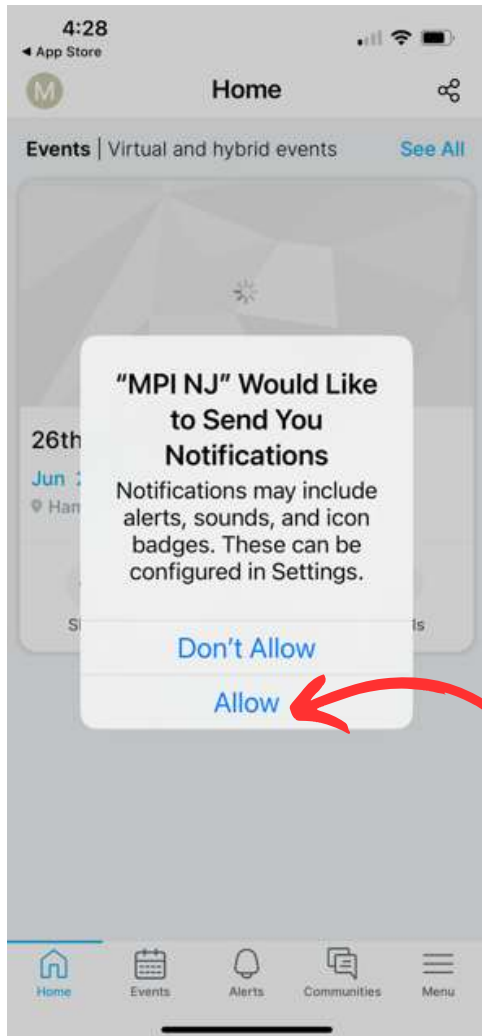

Step #3

Once your download is completed, you may select OPEN to open the app (see below).

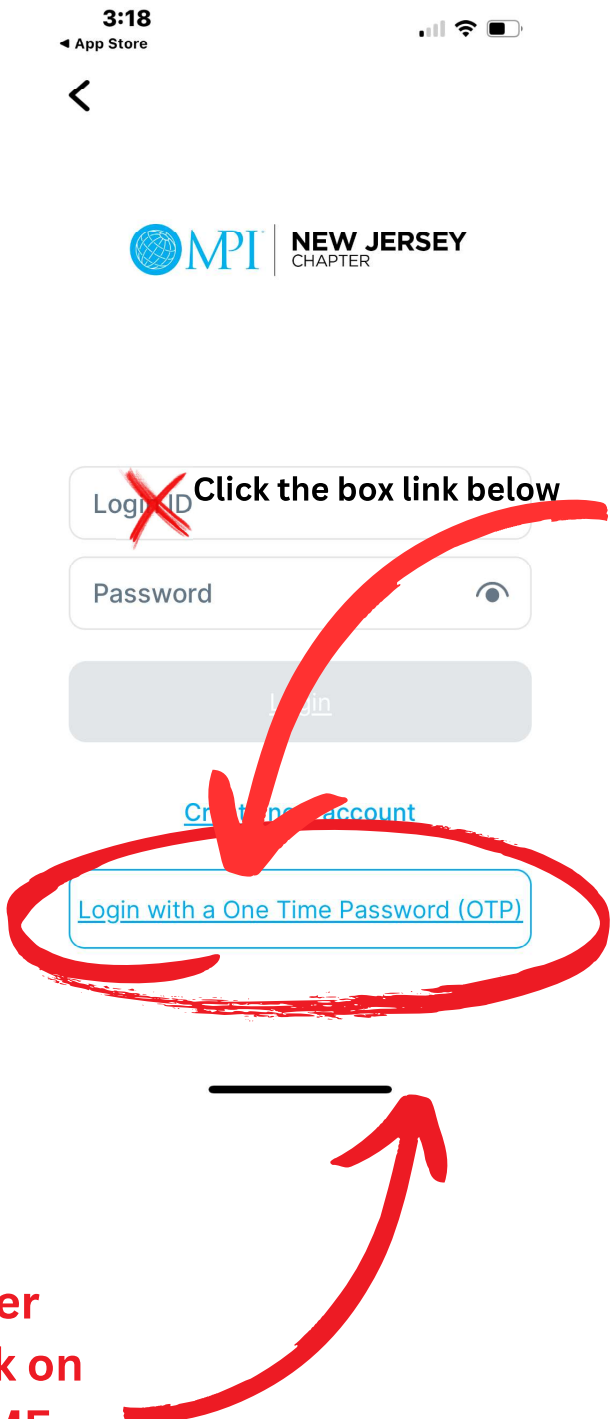

Step #4

When you open the app for the first time, you will be prompted to ALLOW NOTIFICATIONS - please say ALLOW! This will give you access to connect with users, share photos, and receive IMPORTANT ALERTS!

Step #5

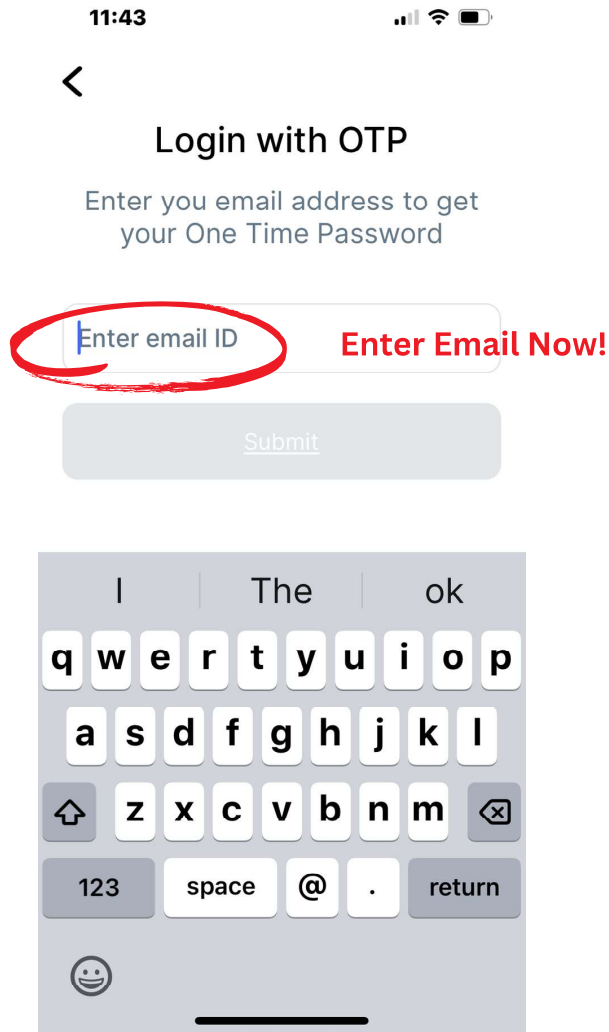

When you go to open the event, you will then be prompted with the screen below. Click on the link at the bottom that says "Login with a One-Time Password (OTP) (see below).

IMPORTANT!!! do not enter your email at this step... click on the LOGIN WITH A ONE TIME PASSWORD box as highlighted above!

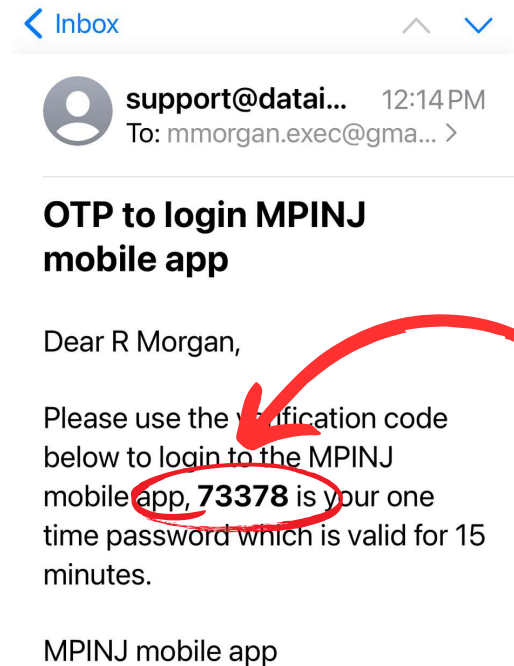

Step #6

Once you click on the “One Time Password request in step #5 - you will be prompted to enter the email address used to register for this event (see below). Please enter your email!

Step #7

Now, open your email to get the one-time password number token that was just sent to you. The email will come from “support@dataimpactsol.com”. A sample is provided below:

Step #8

Enter the password/token number sent to you in your email. You will now enter that number into the OTP token screen and hit SUBMIT (see below).
