PRESIDENT'S MESSAGE

Hey all you cool cats and kitten,

If you are anything like me, you may have dumped a few hours of your social distancing into Netflix's Tiger King. If you haven't yet, you may have at least seen one of the many MEMEs on social media. It is a shocking documentary (or a train wreck that you can't stop watching) about crazy cat people, but nonetheless, it has helped many get their mind off of COVID-19 for at least a moment.

This letter is not just another COVID-19 communication, as MPI and the rest of the world that you have ever given your email address to have already communicated. If you know me well, you know that I have multiple side hustles. However, the CDC is not one, and I am not going to pretend to have any information on this virus and when things might go back to normal. This is a message of hope to an amazing MPI community that is my family.

CONNECTIONS CAMPAIGN

THE CONNECTIONS CAMPAIGN

Ahoy There, fellow MPITBA Members!

The Connections Campaign has set sail and it's not too late for you to jump on board. This award-winning program is up and running to help quantify and track ROI for being a member of the MPI Tampa Bay Area Chapter.

As we are just passed halfway through the fiscal year, we have recorded over a **Half-a-Million Dollars** with MPI Tampa Bay Area members connecting and doing business with one another.

For the program's continued success all we need is...YOU!

Please take a moment (really less than 2 mins) to click on the link below and fill out a simple form indicating what fellow MPITBA member you have connected with.

It's that simple. Your involvement is what will make this program a success.

And to reward you for your help...Every entry will be submitted for a drawing for prizes throughout the year.

Last drawn "Treasure" was a gift package (valued over \$100) to the Clearwater Marine Museum. So don't miss out on the opportunity to win a prize while supporting your chapter and your own membership.

MEETINGS ACADEMY

As we continue to face the challenges of an ever-changing situation with the COVID-19 Virus we are doing everything we can to be in accordance with guidelines from the CDC, as well as local government. Our industry is built on our hearts and passion for producing meetings and events and hosting those in-person. Such an event for our chapter is one that takes a year to plan, that being Meetings Academy due to take place on April 28, 2020. Each year we have a tremendous team of leaders and volunteers who work tirelessly to produce an all-day event filled with education, one-on-one meetings and networking to continue the growth of our industry.

This year the Meetings Academy committee comprised of our **VP of Education Jenifer Smith, CMP, Director of Meetings Academy Katie Cauler, CMP, Chair Maria Thornal** and an amazing team of volunteers **Richard Misyko, Holly Young, JoDee Colonius, Krystal Ferm, Laurie Hill, Beverly Hastings, Kevin Egan, Allyson Kuentz, Stacey Reed-Cash** and **Nevar Campbell**. Without their dedication and commitment we wouldn't be in the place to offer such an amazing program, as this isn't something done overnight.

Unfortunately we are sad to announce that due to the continued restrictions that are in place, Meetings Academy 2020 will not take place. We can't thank enough everyone who worked on this year's program and your efforts are seen and truly appreciated. We also want to thank our many sponsors (please see below for a list of them all), for their support of this event. We will not be deterred by the current

MEMBERSHIP NEWS

The RISE Awards recognize community members from across the globe, celebrating the spirit of leadership, impact, and innovation. MPI Tampa Bay is a two time Rise Award Finalist for Innovative Education. The programs up for an award are our Emerging Leaders facilitated by **Tara Liaschenko** and our Planner Appreciation Breakfast facilitated by **Laurie Hill** with Collaborative Labs. The winner of the Rise Award will be announced at WEC in June, where we can Reunite for Recovery.

Innovative Educational Programming:
Recognize an MPI chapter, club, or student club that has created innovative programming which advances the education and professional development of its members.

Former MPI Tampa Bay Area Member, and local industry leader, Joe Kramer, passes away.

"We lost an industry icon to cancer last week. Joe was a fixture in the Tampa Bay community serving as DOS at the Grand Hyatt Tampa Bay a number of years ago. He was the consummate professional, always quick witted, charming, smart, and knew this business inside and out. We'll miss you Joe!" – Richard Miseyko

MPI Tampa Bay extends our condolences to the family and friends of Joe Kramer.
