

MEDICAL MEETINGS THRIVE AT SONESTA

When planning healthcare meetings, it's critical to ensure your venue of choice is equipped to address the ins and outs of a complex field.

Sonesta International Hotels is proud to be the first hotel company to offer certification training to be designated as a Healthcare Meeting Compliance Certificate Verified Venue (HMCC-VV) through Meeting Professionals International (MPI).

MPI-trained staff at designated HMCC-VV Royal Sonesta and Sonesta Hotels, Resorts & Cruises properties can help skillfully navigate the unique hurdles of the industry such as local and country-specific regulations, food and beverage caps, acceptable venues, and room rate limits.

Leave your healthcare event in excellent hands with Sonesta and let us help create a compliant experience where your meeting attendees feel connected, inspired, and engaged.
